This package includes your notary class and seat for the same day notary public exam, study materials today as soon as you sign up, state handbook, practice exam, class workbook, applications, and notarial certificates to use in your practice. Also included: All of the necessary requirements from the Secretary of State including your notary stamp, notary journal, 4-year \$15,000 bond, 2x2 application photo, and live scan background check.

Complete Notary \$299.00

Notary public class / Exam, state requirements AND E&O Insurance!

This class / exam package is the same as the Basic plus Notary package except it also includes a 4-year \$15,000 Errors and Omissions insurance policy. This is the best security and protection for YOU the notary public from possible civil liability.

Be better prepared for the California notary public exam. The notary public exam is a timed 50 minute exam consisting of 30 multiple choice questions. It is proctored by CPS, (www.cps.shs.com) through the Secretary of State. After all of our classes, we arrange for these proctors to arrive and administer the notary public exam. If you take one of our classes we don't charge for this service. Other schools never let you see their material until the day of class but we do. We want you to be successful and pass the notary public exam the first time. No traveling around spending time and gas to get the best price! With this package you will save at least \$150.00 in notary supplies and state requirements compared to anywhere else!

***We guarantee it!**

If you listen in class, read through the materials and participate through the pre-study guide we send you when you sign up, you will pass the notary public exam with no problem!

- OR -

If you don't pass for some reason, you can take another notary class again free of charge and take the California Notary exam as many times as you need.
